

Summary of National Capital Region I & M Handouts

Minutes are available from all of the previous SAC meetings (10/18/01; 1/10/02; 3/7/02). In addition, we have provided a number of handouts that are available upon request.

Current Monitoring in NCR (5/23/02) – Summarizes monitoring efforts conducted in the vicinity of the National Capital Region. See Park Summaries (below) for summaries of monitoring efforts within the National Parks.

Draft NCR Communities (3/7/02) – The spreadsheet with multiple tabs lists Species of Concern along with their ranks, threatened and endangered species, major cover types, and significant habitats identified by heritage programs at each National Park in the NCR. A list of expected communities associations in the NCR is also provided.

Park Summaries (1/10/02 Mtg) – Summarizes natural resources, management issues, on-going monitoring efforts for each National Park in the National Capital Region. Also see Summary Table below.

SAC Worksheet (3/7/02 Mtg) – Blank table to be filled out by each of the Workgroups. The information generated by the table will allow us to generate conceptual models for each of the important resources identified by the National Capital Region.

SAC Worksheet Example (3/7/02 Mtg) – Provides an example of the SAC Worksheet

Summary Table (1/10/02 Mtg) – Excel spreadsheet which documents monitoring efforts identified in Park Summaries (above)

Workgroup Duties (1/10/02 Mtg) – Outline goals for the I & M Workgroups.

Workgroup Leader Tasks (3/7/02 Mtg) - Outlines roles for the workgroup leaders and facilitators.

Workgroup Tasks Definitions (3/7/02 Mtg) – Provides Definitions for the fields in the SAC Worksheet (see above)
